

Over 20 years of production, quality and excellence
www.playsystem.sk

We produce only maintenance-free materials with extreme durability

Side panels and roofs from HPL laminate

Floors from 20 mm HDPE anti-slip material, placed on stainless steel construction.

Stainless steel fasteners.

Whole construction made entirely of stainless steel

Playsest use only the Swedish ropes of highest quality

In our production we use

Production automates

CNC machines

Laser welding

Component certification

**Company certification
ISO 9001:2015
